

8th July 2020

Dear Parents/Carers,

We have had to make the decision to close school to all children on Friday 17th July, meaning that the final day of this school year will be Thursday 16th July. We have just received confirmation today that our school will be having extensive building works over the course of the summer holidays and staff will need to have all classrooms and school areas emptied in advance of Monday 20th July to allow for this work to begin.

If you are a key worker and unable to source alternative provision for Friday 17th July then please contact the school office/mobile.

Thank you for your continued support.

Best wishes

A handwritten signature in cursive script, appearing to read 'L. M. Ridge'.

Mrs L Ridge
Head of School
