

Key messages for parents

- Notify school as soon as your child displays symptoms.
- Do not send children to school with symptoms (no matter how mild).
- Do not send children to school whilst awaiting a test result.
- Do not attend your GP or A&E for a test –testing is not available at these locations, visit www.gov.uk/get-coronavirus-test
- Obtain a test for your child as soon as possible and notify school of the result.
- If no test is obtained, the child is unable to return to school until the end of the 10 day isolation period.
- Ensure all symptomatic individuals isolate for 10 days and other household members isolate for 14 days.
- Tests are not required for household members who do not have symptoms.
