Dear Parents / Carers,

Census Day for schools – Thursday 1st October 2020

Thursday 1st October 2020 is the National Census day for schools. Schools funding from the government for school meals is dependent on the number of meals ordered on this day, so we are very keen for the maximum number of orders! This funding directly benefits all pupils so the more funding we receive will mean improved provision for teaching and learning.

Below are details of our menu which our catering team will be providing on this important day. The cost is £2.05 if your child pays for meals and this can be paid via SIMS Pay in the usual way. Your child should order their lunch in their class on the morning as normal.

Reception, Year 1 and Year 2 pupils are all eligible for Universal Infant Free School Meals so we are asking that all these pupils at least order a meal to try. (A packed lunch can also be brought from home if you prefer as a backup!) If your child has any dietary needs, please let us know in advance so they can be accommodated on the day.

As an additional incentive, we are also offering a prize draw for any pupils who order a school meal on the day. Each child will be entered into a draw with the chance of winning 1 of 3 £5 Smyths voucher.

We hope that the hard work of our pupils and staff pays off so that as many school meals as possible are ordered on the day!
