

10th December 2020

Dear Parents/Carers

As a school we would like to say many thanks to you all for the support you have shown us over this last term - following new procedures and protocols in order to keep everyone safe.

As you will be aware our procedures are reviewed and updated on a regular basis, in line with Government and DfE guidance and a copy of our latest risk assessment is available for you to see on our school website.

This has most definitely been one of the most challenging terms faced by our school. But it has been heartwarming to see just how well our children have adapted to the 'new normal' and to see smiling faces and inquisitive minds as learning takes place. It is our primary aim to make sure all of our pupils, staff and school community stay safe whilst we continue to provide the very best education.

With safety in mind, and in conjunction with our academy Trust, the decision has been made for Monday 4th January 2021 to be held as an INSET Day. This will allow additional time following the relaxation of the rules over the Christmas period, as announced by the Government, before we welcome our whole school community back.

An end of term newsletter, documenting successes achieved this term by our pupils will be sent out during the final week of this term.

Many thanks for your continued support.

A handwritten signature in black ink, appearing to read 'L. Ridge'.

Mrs L Ridge
