

## Free BT Wi-fi Hotspots

In partnership with the DFE BT are offering free Wi-fi for families having trouble connecting to the internet to help with online learning. Access will be provided via a BT voucher-code system and will allow you to access the web on up to three devices at a time. The free wi-fi access will run until the end of July 2021.

To access these codes please contact our school office on 01709 512202. We will then do a hotspot check to see if you will be able to access the hotspots from your home.

Thank you
