

## **National survey of children, The Big Ask**

The new Children's Commissioner for England, Dame Rachel de Souza, has launched The Big Ask – the largest ever consultation with children aged 4 to 17 in England. It aims to find out children's concerns and aspirations about the future, so that we can put children at the heart of our country's recovery from the coronavirus (COVID-19) outbreak.

As a school we have been asked to support our pupils in completing the survey and we will be talking to children about this in the coming weeks. The survey will ask the children what their hopes and dreams are for their future and what they feel would make things better for them. Parents and carer's are also invited to complete the survey to share your views about the future of your children, we will send out a link so that those wishing to participate can do so.

The results from this survey will help the Children's Commissioner identify the barriers preventing children from reaching their potential, put forward solutions and set ambitious goals for the country to achieve.

We appreciate your help and input.

Many thanks for your continued support.

Mrs L Ridge  
Headteacher
