

8th November 2021

We have received further information from Public Health England and Rotherham Borough Council about the rising case rates of Covid-19. If your child has any of the symptoms below please book them for a PCR and keep them off school until you get the results. An LFT test should not be done as these are not accurate if you have symptoms.

DO YOU HAVE ANY OF THESE SYMPTOMS?

**Continuous Headache
Fever
Sore Throat
Loss of Taste or Smell
Sneezing
Runny Nose**

Many of the symptoms of Covid-19 are similar to a cold. Get a PCR test to make sure it's not Covid-19
