

Dear Parents and Carers,

On Monday 15th November we will begin our week celebrating Friendship week. Over the course of this week the children will be doing some class based activities which are focused around being a good friend and anti-bullying. To help raise money for the Anti Bullying Alliance

we will be taking part in **Odd Socks Day (Monday 15th)** which is exactly as it sounds- children come to school wearing odd socks! We are asking that if your child/ children are wanting to take part you donate whatever you can to help us raise as much money for this charity.

Thank you.

Miss Gordon
