

Gold Award School Games Mark Award Scheme

We are thrilled to announce that, as a school, we have been awarded the Gold Award from the School Games Mark Award Scheme. This is down to many reasons but is mainly due to the high activity levels of the children in our school. The awards are judged on activity levels in and out of school so every time your child has walked to school, joined an after-school club or played for a sports team out of school, they have contributed to this award.

The School Games Mark is a Government-led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward and recognise school's engagement (provision and uptake) in the School Games. The Awards are a national benchmark and celebrate keeping young people active, and we are delighted to have been recognised for our success.

For years, our school has been awarded the Bronze Level, so to gain Gold is an achievement we are ecstatic about!

We want to build on this going forward with lots of children active in and out of school, representing school at competitions and becoming model sportspeople. Finally, a thank you for your support in the past and your support going forward as we build on PE, sport and wellbeing at East Dene.

Thank you

Mr Hattersley & Mrs Allen
