As you can see, we will be continuing with the same organisation of classes, classes of mixed year groups, as we have had for this academic year. This organisation has been successful this year and our children have responded well to this.

We will be welcoming back Miss McNally later on in the academic year, following her Maternity Leave and we look forward to her joining our team once again.

Our transition programme for this academic year will be a phased one, with increased opportunities for children to meet their new class teacher over the coming weeks. All children will spend the final 3 days of this term (week beginning Monday 18th July 2022) with their new class teacher and they will be given opportunities to build relationships with their peers and the new staff in their class and become familiar with year group routines ready for September. Mrs Richardson, SENDCo, is also working hard behind the scenes to ensure that those children with additional needs continue to receive the extra support needed in preparation for September.

We will be in touch shortly to inform you of which class/es your child/children will be in. Your child's new class teacher will be in touch in due course with links to Class Dojo and more information about transition.

As ever, if you have any questions, or queries please contact the school office or your child's current class teacher via the Class Dojo app.

Best Wishes

Mrs L Ridge
