

Dear Parent / Carer,

Values-based Education

At East Dene Primary School, we are very excited to be promoting our Values-based curriculum. It is an approach that creates a strong learning environment for children, and develops their social and relationship skills that last throughout their lives. Our school values will continue to be celebrated each half term and will include,

- 1) Respect
- 2) Responsibility
- 3) Friendship
- 4) Kindness
- 5) Resilience
- 6) Empathy

During each half term every child will have chance to collect six badges of East Dene which are linked to our school values. When your child has shown they understand and can demonstrate one of our values they will receive a star sticker to place on their class values chart. They will then be entered into a prize draw at the end of the year if they have collected all six star badges.

By using these values, children will discover the very best of themselves, which enables them to be good citizens and prepare them for their lives in the future. These values will also be linked to 'Spot Light Days' which will be running each half term. Further details around the 'Spot Light Days' will be coming soon.

The Value for Autumn 1 will be Empathy!

Yours faithfully

Miss R Gordon
