Dear Families,

I hope you are all getting ready for a fabulous Christmas. We can't wait for you to join us for our annual raffle and Christmas Sing songs on Thursday at 1pm.

I wanted to write to you about Christmas gifts this year. We really appreciate all the presents and gifts that you give us at this time of year. However, we know this year will be difficult for all families due to the cost-of-living crisis. As a staff, we have decided to request all families not to buy us any presents this year.

We would rather our families spend their money on our children and get them an extra Christmas gift, a trip to the cinema or leisure centre or a book to read over the holidays.

We do not want to seem ungrateful as we do love and appreciate all the gifts you purchase for us but we feel that you give us the greatest gift on a daily basis by letting us spend time with your children.

As always, thank you for your continued support and understanding. If you have any worries, please let me know.

Kind regards
