

School Gateway App is what we will be using to communicate with parents and carers after the Christmas break, so it is very important that you download and sign up to use this app. We will no longer be using text messages.

Please go to your app store, you can see above how it looks. Once downloaded scroll to the bottom and click on register or sign up. Register using the phone number and e-mail address we have for you in school and click on Send Pin. It will send you a 4 digit number, enter this in and that should be you registered.

If you don't have a smartphone or prefer to use a computer you can set up your account via the web, please go to <https://login.schoolgateway.com/0/authlogin>
