

East Dene Primary School

SPRING NEWSLETTER

THANK YOU ...

As we reach the end of this half term, I would like to thank all of you for your ongoing support. It has been a wonderfully busy and successful few weeks in school.

We welcomed Tim Pinto, who spoke with you about online safety. Your children also took part in Safer Internet Day, learning about the positives and negatives of AI and how to stay safe online.

Our children have enjoyed a range of exciting trips, including visits to York and Leeds.

We also held a positive PINS workshop, where parents were able to come together to discuss their children over a coffee and a biscuit.

National Number Day was a great success, with all of your children taking part in exciting Maths activities throughout the day!

Some children have now started music sessions, giving them the opportunity to learn the guitar. They are loving this! We certainly have some future performers and musicians at East Dene Primary!

This week, we will end the half term with a Friendship Disco, taking place as one of our spotlight days.

We can't wait for next half term with our amazing pupils and families. Please see the dates for your diary below.

As always, we will send out information about each event closer to the time.

POLITE REMINDER

We have received several complaints about unsafe parking outside school. For the safety of all our children, please do not park on the lines or outside the school gates.

Images will be taken of vehicles that continue to park in restricted areas and will be forwarded to the council.

Thank you for helping us keep everyone safe.

ATTENDANCE THIS TERM

Bringing your child to school every day is essential for their learning, helping them build strong skills, routines, and confidence. Consistent attendance also supports their wellbeing and ensures they don't miss important lessons or social opportunities.
