Dear Families,

Welcome back! We hope you had a restful half-term break with your children.

We are very excited for the weeks ahead as we prepare for Christmas. This is a special time at our school, and we are looking forward to sharing fun events and learning activities with your children.

Lockdown Drill Practice

We want to let you know that we will be practicing a lockdown alarm drill soon. You may have heard of other schools needing to go into lockdown to keep children safe. This drill is part of our safety plan to make sure we know what to do if we ever get an intruder on site and keep our children safe quickly.

To avoid causing any worry for the children, we will be telling them there is a dog on site and that this is why we need to stay inside and sit away from classroom doors. Practicing this drill is very important so we are prepared, just like we do with our fire drills.

We will be speaking to the children in assembly on Monday and will go over what they need to do when the lockdown alarm rings. We will explain the reasons why we are doing lockdown drills to the children in assembly. They will also hear the alarm prior to the drill.

Thank you for being the most amazing school community and always supporting us.

Kind Regards

I. Tankard
